Robert W. Parrott

Our program this year is “*The Most Unusual Murder in Union County’s History!*” presented by Union County Historical Society President, Robert W. Parrott.

Robert Parrott has been a life-long resident of Union County. He has been on the board of the Union County Historical Society since 1985 and president of the Society since 1989. Over the years he has researched many topics connected to the history of Union County.

In his research, he discovered a very unusual Union County murder that made headlines across the country. Reporters and photographers flocked to Union County to cover the story. Associated Press articles and radio broadcasts updated the public daily with details of the on-going investigation. Parrott will tell the story of this very bizarre incident.

This will be one of the best programs presented to the Society.
Please join us on **October 24th, 2024.**
